

Kukuna O Ka La

Radiation Oncology Symposium

Agenda

Tuesday, January 25, 2022

6:00 AM	Registration opens on site	
7:00 AM	Welcome/refreshments	Catheryn Yashar, MD
7:10-8:10 AM	Bladder Cancer – What is the Role of the Radiation Oncologist?	Anthony Zietman, MD
8:15-9:15 AM	Optimum Incorporation and Approaches to Radiation for non-Hodgkin's Lymphomas	Stephanie Terezakis, MD
9:20-10:20 AM	How to Approach Treatment Decision-Making for Meningioma	Minesh Mehta, MD
10:20-10:40 AM	Break	
10:45-11:45 AM	Current Management of Malignant Gliomas	Minesh Mehta, MD
11:50 AM-12:50 PM	The Role of Radiation Treatment for Soft Tissue Sarcomas in the Modern Era	Courtney Hentz, MD
12:50 PM	Conference Day Finished	

Wednesday, January 26, 2022

7:00 AM	Refreshments	
7:05-8:05 AM	Radiation to the Different Nodal Groups In Breast Cancer – A La Carte or Table D'hote?	Gary Freedman, MD
8:10-9:10 AM	Prostate Cancer and Fractionation – Fewer and Fewer	Anthony Zietman, MD
9:15-10:15 AM	Evolving Paradigms in the Treatment of Hodgkin's Lymphoma	Stephanie Terezakis, MD
10:15-10:35 AM	Break	
10:40-11:40 AM	Radiation Oncology Coding/Compliance and Updates on Final Rules and Alternative Payment Models	Ron DiGiaino, MBA, FACHE
11:45 AM-12:45 PM	Post-Prostatectomy Radiation Therapy	Anthony Zietman, MD
12:45 PM	Conference Day Finished	

Thursday, January 27, 2022

7:00 AM	Refreshments	
7:05-8:05 AM	Optimal Use of Imaging in Lymphoma for Treatment Stratification and Radiation Planning	Stephanie Terezakis, MD
8:10-9:10 AM	Pediatric Brain Tumors in Adult Patients	Andrew Chang, MD
9:15-10:15 AM	Managing Penile Cancer	Anthony Zietman, MD
10:15-10:35 AM	Break	
10:40-11:40 AM	Target Volume Delineation in Lymphomas – Applying the Involved Site Radiation Guidelines	Stephanie Terezakis, MD
11:45 AM-12:45 PM	Postmastectomy Radiation in the Setting of Breast Reconstruction	Gary Freedman, MD
12:45 PM	Conference Day Finished	

Friday, January 28, 2022

7:00 AM	Refreshments	
7:05-8:05 AM	Radiation Combined with Immunotherapy in Head and Neck Cancer: Challenges and Future Directions	Andrew Sharabi, MD, PhD
8:10-9:10 AM	Post-Lumpectomy Radiation for DCIS – Whole Breast, Partial Breast, or None at All?	Gary Freedman, MD
9:15-10:15 AM	Combinations of Radiation and Immunotherapy In Lung Cancer and Oligometastatic Disease: Current Standards and Ongoing Trials	Andrew Sharabi, MD, PhD
10:15-10:35 AM	Break	
10:40-11:40 AM	Contouring of the Breast and Regional Nodes for Radiation Planning	Gary Freedman, MD
11:45 AM-12:45 PM	Definitive Radiation Options for Non-Melanomatous Skin Cancers	Courtney Hentz, MD
12:45 PM	Conference Dismissal	Catheryn Yashar, MD
